Do that by making a gross sales web page for the brand new book, however don't embrace a value on that page. One other technique is to test out prices by making a variety of duplicate gross sales pages with totally different prices on every page. Make sure that your sales copy is strictly the same on each page, and contains your selling-handle sentence. Then determine for each page the conversion ratio between guests to your web site and gross sales of your book. It will let you know what your optimum worth is.

Ultimately, for those who've written a e book that solves a problem or presents a new method, your e-book will bring in each traffic and profits.
