Do this by making a sales web page for the new guide, however do not embody a price on that page. As an alternative, add a number of hyperlinks to survey questions that ask pointed questions to help you in assigning a price to your ebook.

Another technique is to test out costs by making a number of duplicate gross sales pages with completely different costs on every page. Be certain your sales copy is strictly the identical on

every web page, and consists of your selling-deal with sentence. Then work out for every page the conversion ratio between visitors to your site and gross sales of your book. It will tell you what your optimum worth is.

In the end, for those who've written a e book that solves a downside or presents a brand new approach, your e book will herald both site visitors and profits. So make sure you write that promoting-deal with sentence that sums up what downside your book solves and what the benefits of your 1053 guide can be to the customers who purchase it.
