Do this by creating a gross sales web page for the brand new e book, but don't embrace a worth on that page. As an alternative, add numerous links to survey questions that ask pointed questions to aid you in assigning a worth to your ebook.

One other strategy is to test out costs by making a number of duplicate gross sales pages with completely different prices on each page. Be sure that your gross sales copy is exactly the

identical on every web page, and includes your promoting-deal with sentence. Then work out for every web page the conversion ratio between guests to your web site and sales of your book. This may inform you what your optimum price is.

Ultimately, should you've written a e book that solves a downside or presents a new approach, your guide will herald both site visitors and profits.
