Another strategy is to test out prices by creating a variety of duplicate gross sales pages with totally different prices on each page. Be certain your gross sales copy is precisely the identical

on every page, and includes your selling-deal with sentence. Then figure out for every page the conversion ratio between guests to your website and gross sales of your book. It will tell you what your optimum price is.

Finally, if you've written a book that solves a problem or presents a brand new approach, your guide will bring in both traffic and profits.
