price. Do that by making a sales page for the brand new e-book, but do not embrace a price on that page. As a substitute, add a number of links to survey questions that ask pointed questions to aid you in assigning a value to your ebook.

Be certain that your gross sales copy is exactly the identical on each web page, and consists of your promoting-handle sentence. Then work out for each page the conversion ratio between visitors to your website and gross sales of your book. This can let you know what your optimum value is.

In the end, when you've written a guide that solves a problem or presents a brand new approach, your e-book will usher in each traffic and profits.
