As an alternative, add a lot of links to survey questions that ask pointed questions to aid you in assigning a value to your ebook.

Another strategy is to check out costs by making a variety of duplicate gross sales pages with totally different costs on each page. Make sure your sales copy is strictly the similar on each web page, and includes your selling-deal with sentence. Then determine for each web page the conversion ratio between visitors to your site and gross sales of your book. This can tell you what your optimum price is.

Finally, for those who've written a book that solves a drawback or presents a brand new approach, your book will bring in both visitors and profits. So make sure you write that selling-deal with sentence that sums up what downside your book solves and what the advantages of your 123 e book might be to the customers who buy it.
