Do this by making a sales web page for the new e-book, however don't embrace a price on that page. As an alternative, add various hyperlinks to survey questions that ask pointed questions to help you in assigning a price to your ebook.

One other strategy is to check out costs by making a number of duplicate gross sales pages with different costs on every page. Ensure that your gross sales copy is exactly the similar on each

page, and contains your promoting-deal with sentence. Then determine for each web page the conversion ratio between visitors to your website and sales of your book. This can tell you what your optimum price is.

Finally, should you've written a ebook that solves a downside or presents a brand new method, your ebook will bring in each traffic and profits. So make sure you write that promoting-deal with sentence that sums up what downside your ebook solves and what the advantages of your 1262 book shall be to the purchasers who purchase it.
