An effective method for determining a value is to ship out a survey to your current customers. If these clients have already bought an e book from you, ask for his or her opinion when it comes to price. Do this by making a sales web page for the brand new guide, but don't embody a value on that page. As an alternative, add plenty of hyperlinks to survey questions that ask pointed questions to assist you in assigning a worth to your ebook.

Another strategy is to check out costs by creating a variety of duplicate sales pages with completely different prices on each page. Make sure that your gross sales copy is strictly the same

on each page, and contains your promoting-handle sentence. Then determine for every web page the conversion ratio between visitors to your web site and gross sales of your book. This may inform you what your optimum value is.

Finally, when you've written a guide that solves a problem or presents a new method, your guide will herald both traffic and profits. So remember to write that promoting-handle sentence that sums up what problem your e-book solves and what the advantages of your 1268 e-book will likely be to the shoppers who purchase it.
