An effective method for determining a value is to ship out a survey to your present customers. If these clients have already bought an e book from you, ask for their opinion when it comes to price. Do that by making a gross sales page for the new e-book, however don't include a value on that page. Another strategy is to check out costs by creating a variety of duplicate gross sales pages with totally different costs on each page. Be certain your gross sales copy is precisely the similar on

each page, and consists of your selling-handle sentence. Then work out for each web page the conversion ratio between visitors to your site and sales of your book. This may inform you what your optimum worth is.

Ultimately, for those who've written a ebook that solves a problem or presents a brand new method, your guide will herald both site visitors and profits.
