Apart from selling your books assiduously online, there are several different methods that may make it easier to promote more books.

One is to give one thing away without cost together with your ebook, reminiscent of a worthwhile bonus item. Or bundle a number of ebooks beneath one worth, which lowers the worth for every ebook in the event that they had been bought separately.

An efficient method for figuring out a value is to send out a survey to your present customers. If these clients have already bought an e book from you, ask for his or her opinion when it comes to price. Do this by making a sales page for the new ebook, but don't embody a worth on that page. As a substitute, add quite a few hyperlinks to survey questions that ask pointed questions to aid you in assigning a worth to your ebook.

Another technique is to check out costs by making a number of duplicate sales pages with completely different costs on every page. Ensure that your sales copy is strictly the identical on each page, and consists of your selling-deal with sentence. Then figure out for each page the conversion ratio between guests to your site and sales of your book. This will let you know what your optimum worth is.

In the end, in the event you've written a ebook that solves a problem or presents a new method, your

guide will herald both visitors and profits. So be sure you write that selling-deal with sentence that sums up what problem your e-book solves and what the benefits of your 162 e book will be to the purchasers who purchase it. And then watch your market come to you!
