Instead, add a number of links to survey questions that ask pointed questions to assist you in assigning a worth to your ebook.

Another strategy is to test out costs by creating a variety of duplicate gross sales pages with totally different costs on every page. Be certain that your sales copy is strictly the same on every

web page, and consists of your promoting-deal with sentence. Then figure out for every page the conversion ratio between visitors to your web site and sales of your book. This can inform you what your optimum price is.

Finally, if you happen to've written a e book that solves a drawback or presents a new approach, your e-book will bring in each traffic and profits.
