An efficient approach for figuring out a price is to ship out a survey to your current customers. If these prospects have already purchased an e-book from you, ask for their opinion by way of price. Do that by creating a sales page for the brand new guide, however do not embody a worth on that page. As an alternative, add quite a few links to survey questions that ask pointed questions to aid you in assigning a worth to your ebook.

Another technique is to check out costs by making a variety of duplicate gross sales pages with completely different prices on every page. Make sure that your sales copy is precisely the identical on each page, and contains your selling-deal with sentence. Then figure out for each page the conversion ratio between visitors to your site and sales of your book. This may let you know what your optimum worth is.
