Instead, add numerous links to survey questions that ask pointed questions to aid you in assigning a price to your ebook.

One other strategy is to test out costs by making a variety of duplicate sales pages with completely different costs on every page. Make sure that your sales copy is exactly the identical on every web

page, and contains your selling-deal with sentence. Then figure out for each page the conversion ratio between guests to your web site and gross sales of your book. This may let you know what your optimum price is.
