Another strategy is to check out costs by creating a variety of duplicate sales pages with completely different prices on every page. Be sure that your gross sales copy is exactly the identical on every page, and includes your selling-deal with sentence. Then figure out for each page the conversion ratio between guests to your site and gross sales of your book. This may tell you what your optimum price is.

Finally, in case you've written a e book that solves a problem or presents a new approach, your ebook will bring in each traffic and profits.
