An effective method for determining a worth is to send out a survey to your current customers. If these prospects have already bought an ebook from you, ask for his or her opinion by way of price. One other strategy is to check out costs by making a variety of duplicate gross sales pages with different prices on every page. Be certain your gross sales copy is precisely the identical on every web page, and consists of your selling-handle sentence. Then work out for each page the conversion ratio between guests to your site and sales of your book. This can inform you what your optimum worth is.

Ultimately, should you've written a e book that solves a downside or presents a new method, your e-

book will usher in both traffic and profits. So you'll want to write that promoting-handle sentence that sums up what problem your guide solves and what the benefits of your 2113 e-book might be to the customers who purchase it. After which watch your market come to you!
