Do that by making a gross sales page for the new ebook, however do not include a worth on that page. Instead, add quite a few hyperlinks to survey questions that ask pointed questions to help you in assigning a worth to your ebook.

Another strategy is to test out prices by creating a variety of duplicate gross sales pages with different prices on every page. Be certain your sales copy is strictly the identical on every page,

and consists of your promoting-handle sentence. Then work out for every web page the conversion ratio between guests to your website and gross sales of your book. This may tell you what your optimum value is.

Finally, should you've written a e book that solves a problem or presents a brand new technique, your ebook will usher in both traffic and profits.
