An effective method for figuring out a worth is to send out a survey to your current customers. If these clients have already purchased an e book from you, ask for their opinion by way of price. Do this by creating a gross sales page for the new e book, however do not include a value on that page. Instead, add a lot of hyperlinks to survey questions that ask pointed questions to help you in assigning a price to your ebook.

One other strategy is to test out costs by making a number of duplicate gross sales pages with different costs on each page. Make certain your sales copy is exactly the identical on each page, and consists of your selling-handle sentence. Then figure out for every page the conversion ratio between visitors to your website and sales of your book. This may let you know what your optimum value is.

Ultimately, if you've written a guide that solves a downside or presents a new method, your ebook will herald each site visitors and profits. So be sure you write that promoting-deal with sentence that sums up what drawback your guide solves and what the advantages of your 2339 e-book can be to the customers who purchase it.
