An effective method for figuring out a worth is to ship out a survey to your current customers. If these clients have already purchased an e-book from you, ask for his or her opinion when it comes to

price. Do this by creating a gross sales web page for the brand new book, however don't embrace a worth on that page. Instead, add numerous hyperlinks to survey questions that ask pointed questions to help you in assigning a price to your ebook.

Another strategy is to check out costs by creating a variety of duplicate sales pages with completely different costs on each page. Ensure your sales copy is precisely the identical on every page, and includes your selling-deal with sentence. Then determine for each web page the conversion ratio between guests to your web site and sales of your book. This can tell you what your optimum worth is.

Ultimately, should you've written a book that solves a downside or presents a brand new technique, your guide will usher in each site visitors and profits. So be sure you write that selling-deal with sentence that sums up what problem your ebook solves and what the advantages of your 269 guide might be to the customers who buy it.
