One other strategy is to check out prices by creating a number of duplicate sales pages with different prices on each page. Ensure your gross sales copy is precisely the identical on every page, and includes your promoting-deal with sentence. Then determine for each web page the conversion ratio between visitors to your website and gross sales of your book. This can inform you what your optimum price is.

Finally, for those who've written a guide that solves a downside or presents a new method, your e-

book will bring in both site visitors and profits. So you should definitely write that promoting-handle sentence that sums up what problem your book solves and what the benefits of your 436 e-book will probably be to the purchasers who purchase it. After which watch your market come to you!
