Do this by making a gross sales web page for the brand new ebook, but don't embody a price on that page. As a substitute, add quite a lot of hyperlinks to survey questions that ask pointed questions to assist you in assigning a value to your ebook.

Another strategy is to test out prices by creating a variety of duplicate sales pages with different costs on every page. Be sure your gross sales copy is exactly the identical on every web page, and contains your selling-handle sentence. Then determine for every web page the conversion ratio between visitors to your website and gross sales of your book. This may inform you what your optimum worth is.

Finally, when you've written a book that solves a downside or presents a new technique, your e-book will herald each traffic and profits. So make sure to write that promoting-handle sentence that sums up what drawback your ebook solves and what the advantages of your 576 ebook will likely be to the shoppers who purchase it.
