As an alternative, add quite a lot of hyperlinks to survey questions that ask pointed questions to aid you in assigning a price to your ebook.

One other technique is to check out prices by creating a variety of duplicate sales pages with completely different prices on every page. Be certain your sales copy is strictly the same on each page, and contains your promoting-handle sentence. Then work out for every web page the conversion ratio between visitors to your web site and gross sales of your book. This will let you know what your optimum worth is.

Finally, in the event you've written a e-book that solves a drawback or presents a new technique, your guide will bring in each traffic and profits.
